

Health & Safety Policy

1. POLICY STATEMENT ON HEALTH AND SAFETY AT WORK

B.R. Industrial Personnel regards occupational health and safety to be an integral part of its business activities and is committed to achieving a high level of occupational Health and Safety & Environmental performance.

To this end, the management of health, safety and welfare is to be considered as a prime responsibility by managers/supervision and or team leaders within the company.

The company is further committed to:

- a) Complying with legal requirements as the minimum standard of health and safety performance and:
- b) Carrying out a program of continual cost-effective improvement in performance.
- c) Involving and consulting employees as appropriate.

It is therefore the Company's Policy to:

- a) Carry out a suitable and sufficient assessment on the risks to health and safety of employees to which they are exposed whilst at work and to persons not in our employment in so far as they come into contact with the Company or its activities.
- b) Set and publish the annual occupational health and safety objectives to be achieved by Company.
- c) Implement policies, organisational procedures, control measures and systems to monitor and review risks in order to provide a risk controlled working environment.
- d) Provide the resources necessary to implement this policy.
- e) Periodically review these systems and carry out audits to ensure compliance.

Health & Safety Policy

1. POLICY STATEMENT ON HEALTH AND SAFETY AT WORK

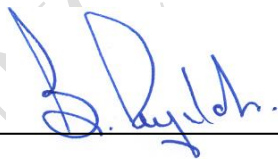

To assist in achieving these aims, the Company recognises it has a responsibility to:

- a) Provide and maintain safe and healthy working conditions by taking into account current legislation and appropriate advisory literature, using current best practices.
- b) Provide the necessary resources, information, instruction training and supervision in order to enable employees to carry out their duties under this policy and to work safely and efficiently.
- c) Make available all necessary safety devices and protective clothing/equipment and to ensure that they are to the appropriate standards and that they are used/worn.
- d) Maintain a constant and continuing interest in health and safety matters applicable to work activities by consulting and involving employees as appropriate.

The Company will ensure that managers and staff are aware that they have duties under the Health and Safety at Work etc. Act 1974 and the Management of Health and Safety at Work Regulations 1999 including duties to take reasonable care of themselves and other persons who may be affected by their acts and omissions at work and to further use safely all work items provided in accordance with the training and instruction they have received.

The Company has appointed the H, S & E Manager to have overall responsibility for the health, safety and welfare of employees at work. Responsibilities in this respect are described in the organisation and responsibilities section.
